

**GENERAL DATA**

Division : Body Protection

Family : Protective Gloves

Range : General purpose

Line : Precision work

Brand formerly known as : RIBY

Business Countries

EMEA

United Kingdom

Middle East

Activity Domains :

Food Industries • Logistics • Industry • Automotive and Part Manufacturer • Catering

Product Use :

Fine handling in clean environment. Can be used as an under-glove.

PRODUCT ADVANTAGES**Feature :**

100% cotton lightweight knitted glove.

Elastic cuff, 6cm.

Gauge 13: light.

Length: 23cm.

Benefit :**COMFORT**

The knitting technique helps to obtain a glove that conforms snugly to the hand and good dexterity. The glove offers maximum comfort and added sturdiness.

Of a neutral pH level and without any treatment, this cotton is tolerated perfectly well by the skin and limits the absorption of perspiration.

The tight knit gives the glove perfect support, limits the penetration of dirt, offers a good touch while offering protection against small cuts.

HYGIENE

Its light colour enhances the glove's hygiene and cleanliness properties.
