

Safety Data Sheet

The logo for CINGDA, featuring the brand name in a bold, sans-serif font with a registered trademark symbol, set against a solid orange rectangular background.

Item N° : JLB002

Description : V-Guard Safety Helmet

The V-guard Safety Helmet is resistant and comfortable, and weighs only 395 grammes. Manufactured from high density polyethylene, it is adjustable with 6 points suspension. The helmet is well balanced, maximizing both confort and protection for the wearer.

The distinctive contoured helmet shape has been specifically designed to be used with hearing protection. These features make the V-Guard Helmet ideally suited for heavy engineering and construction applications in exposed environment.
